Florentine

A beautiful European heavy weight leather with a very smooth surface, transparent finish, and slight pull up effect. Florentine is a sophisticated leather that is tanned and finished using a complex formulation of dyes and waxes to create a magnificent work of art.

Whole hide

It's Natural

Leather is a natural material and, if properly cared for, will maintain its beauty and usefulness for many years. The product information contained on this sheet is intended to provide general information but we encourage you to engage a Milton Sokol representative with questions and concerns. No two hides are the same and variations of color, shade, thickness, and temper will vary from hide to hide and within a hide. Some items manifest fewer variations while others that are less finished can show more. The specifications above are approximate, and should a project or item require specific criteria please consult a Milton Sokol rep.
