West Tan (buffalo)

A semi-distressed belt leather that is finished using just dyes and waxes on the surface. We offer this item in a milled and not milled version depending on the temper one desires. The milled version is slightly softer and has a more broken up surface than the non milled. This leather is available in long bends for larger size straps as well as in a lighter weight (5-6 oz)

It's Natural

Leather is a natural material and, if properly cared for, will maintain its beauty and usefulness for many years. The product information contained on this sheet is intended to provide general information but we encourage you to engage a Milton Sokol representative with questions and concerns. No two hides are the same and variations of color, shade, thickness, and temper will vary from hide to hide and within a hide. Some items manifest fewer variations while others that are less finished can show more. The specifications above are approximate, and should a project or item require specific criteria please consult a Milton Sokol rep.
