Latigo

A heavy weight belting leather with firm but round hand made using a complex formulation of tanning agents and oils. Latigo is a premium leather made on American hides and used extensively in the saddlery trade as well as other strap applications. The leather is drum dyed and then finished with just a level coat of dye and wax.

It's Natural

Leather is a natural material and, if properly cared for, will maintain its beauty and usefulness for many years. The product information contained on this sheet is intended to provide general information but we encourage you to engage a Milton Sokol representative with questions and concerns. No two hides are the same and variations of color, shade, thickness, and temper will vary from hide to hide and within a hide. Some items manifest fewer variations while others that are less finished can show more. The specifications above are approximate, and should a project or item require specific criteria please consult a Milton Sokol rep.
