Marlin

A semi-aniline leather with a pronounced natural pebble texture. The surface has a bit of wax for a nice touch and the softness is just perfect for bags and leather goods. This is high performance leather with excellent durability.

It's Natural

Leather is a natural material and, if properly cared for, will maintain its beauty and usefulness for many years. The product information contained on this sheet is intended to provide general information but we encourage you to engage a Milton Sokol representative with questions and concerns. No two hides are the same and variations of color, shade, thickness, and temper will vary from hide to hide and within a hide. Some items manifest fewer variations while others that are less finished can show more. The specifications above are approximate, and should a project or item require specific criteria please consult a Milton Sokol rep.
