Papaya Shoulder

Tanned using traditional vegetable tanning methods that preserve the hide and transform it into leather using the extract from the barks of trees that contain certain tanning properties. Our Papaya Shoulders are made using the finest domestic Argentine Steers and have a natural color. The surface is natural without any finish.

Specifications

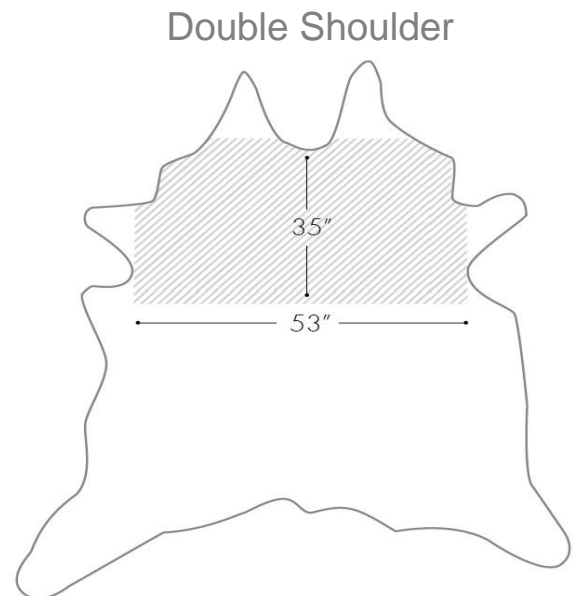

Average Hide Size: 13 sf

Configuration: Double Shoulder

Hide Source: Argentina

Thickness: Available from 6 oz to 9 oz

Finish: Natural Russet

It's Natural

Leather is a natural material and, if properly cared for, will maintain its beauty and usefulness for many years. The product information contained on this sheet is intended to provide general information but we encourage you to engage a Milton Sokol representative with questions and concerns. No two hides are the same and variations of color, shade, thickness, and temper will vary from hide to hide and within a hide. Some items manifest fewer variations while others that are less finished can show more. The specifications above are approximate, and should a project or item require specific criteria please consult a Milton Sokol rep.
